

"Days & Nights"

Intro

There are Days, there are Nights.
Little moments we live in this life.
There are Days, there are Nights.

Chorus 1

Live your life without a doubt so everyone can see the real you.
& Try your best all the time, & you'll do things you never thought you could do.
Don't "wait & see", get "out there" and "be all you can be."
Cause, in this life, you only get so many "Days & Nights."

Verse 1

There are days and there are nights when I just pray.
& There are times when I just, I want to hold you close to me.
To show you I care and I'll always be there, anytime you need.
Cause, in this life we only get so many, "Days & Nights."

Chorus 2

Girl, I know sometimes I let you down, but I never want you to be blue.
& Girl I may not always be around, but I'm always trying to prove my love for you,
Is true, oh yeah, I don't want to make any mistakes.
Cause, in this life, you only get so many, Days & Nights.

Verse 2

There are Days and they're Nights when I can't sleep.
& There are times when I just don't want to be alive.
But, your always right there to show me you care, and where I should be.
In my life, and best of all you love me, yeah!

Chorus 3

God, it's seems I can't make my own mind up,
and this wishy-washy-ness is just dragging me down.
& God sometimes I'm walking right beside you on the water,
other times I am about to drown.
In this sin, I fail, I don't want to do it again.
Cause I know in time, you only get so many, "Days and Nights."
