

# "Only Jesus"

## Verse 1

I feel so rejected, by this world you've created for us.  
But, I appreciate you, sending us your love, when you sent down your son.

I can't quite explain it, but when I look around, all I see,  
Is violence, hatred, & sinning, but still you say I must be a reflection of your love.

## Chorus 1

(Cause) I may be the Only Jesus that they see.  
I may be the only friend they have to help them to break free.  
& I pray that you'd help me be the man I am to be.  
'Cause I may be the Only Jesus that they see.  
I want them to see you living in me.  
Cause, I may be the Only Jesus that they see.  
Oh, I may be the Only Jesus that they see.

## Verse 2

I sit down here and wonder, why you choose to die for us that day.  
We're just germs in your hands, oh father.  
All because of love you choose not to wipe us all away.

& My whole reason for existence,  
is to be your companion and share some of your love.  
With a little help and a lot of strong persistence.  
I can show someone, some great things that you have done.

## Chorus 1

## Bridge

And if you believe then you have got to help!  
Tell the world of His love and give the best of yourself.

## Chorus 2

(Cause) you may be the Only Jesus that they see.  
You may be someone's "only hope," the lifeline of their need  
I pray that you'd always be the person you should be.  
'Cause you may be the Only Jesus that they see.  
Oh, you may be the Only Jesus that they see.
